Dear Professor Ulam:

Excuse my persistence in following up my letter of 17 January, but I'm both excited about our program and eager for you to be a part of it. You may recall our brief visit in your office on the 9th of January, when I outlined our plans for a new Soviet affairs training program. At that time, I asked if you would be willing to come to Washington to conduct a seminar as part of a series entitled "Perspectives on the Soviet Union."

The seminars, running three to five days in length, are presented by noted scholars who are asked to provide an integrated overview of the Soviet Union for 18 - 24 students. The first seminar, conducted by Seweryn Bialer and Gail Lapidus in late February, was highly successful and set the stage for several others to follow. Dick Pipes will join us in mid-June, Bill Daniels in September, Gail Lapidus will be back later in the year, and George Breslauer in January. We would be honored to have you take part as well. You had indicated that you may be available in October. We would be pleased to make arrangements then or at any other time convenient for you during 1986 or 1987.

I would appreciate your calling me as soon as possible on

We look forward to a favorable reply.

Sincerely,

Director
